

Ashoka Support Network - **Interviews**

CELEBRATING COLLABORATIVE CHANGEMAKING

AMPLIFYING THE VOICES OF
ASHOKA SUPPORT NETWORK
(ASN) MEMBERS WORLDWIDE

“Now is the time. The world is shifting; technologically, economically, and geopolitically. If Africa doesn’t seize this moment, we risk falling behind again. That’s why I champion “Afro-optimism”: realistic optimism that acknowledges challenges but chooses to strive beyond them.

Where I am in my philanthropist journey at this point, it's not about just touching one or two people; I've done that in the past. It's about how you can help to maximize impact by working with the system, working with the government, working collaboratively with organizations to create that change
